"Equipping the saints for the work of evangelism"

"If you look up the word "Zeal", in the dictionary you will see Pastor Phil's name instead. He is the only man who makes me feel lukewarm in my walk with the Lord. He is passionate about the Lord and is always ready to invest in others who are passionate too. He truly loves people and would go an extra mile for anyone who needs his ministry. He has been a blessing in my Daily Devotional Ministry and I stand with him in his calling."

— Evans Olang (Daily Devotional Ministry)

"From the first time you meet Phil, his passion for Christ and for the lost is clearly evident. He is bold and he is truly filled with love. He takes the Gospel to the streets and straight to the heart."

—Rev. John Blondo (AG World Missionary)

Enthusiasm, effectiveness and encouragement with results for eternity...that is what ICU Ministry, New York City experiences with Pastor Phil's ministry."

— Rev. Steve Kulish (AG Intercultural Missionary, ICU Min.)

"This teaching is not just a philosophy, but a practical tool for street ministry, one that all Christians need to learn and apply."

—Pastor Maurice Winley (Soul Saving Station, Harlem)
