

The Way of the Master

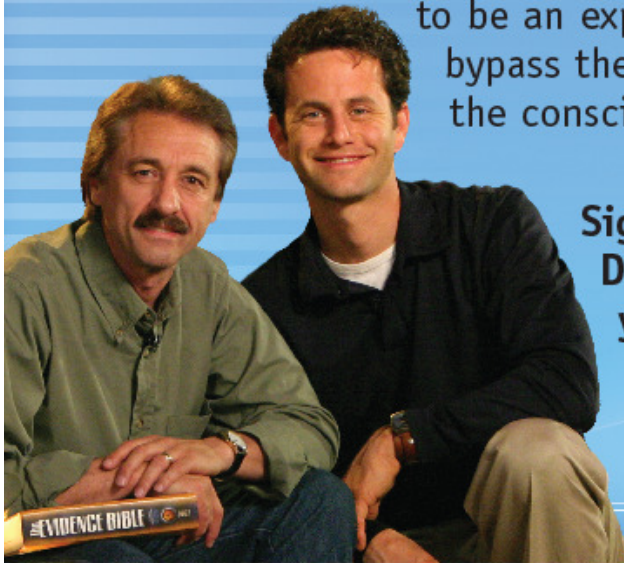

BASIC
TRAINING
COURSE

JULY 7 PM

Who do you know who isn't saved?
Where will they go if they die without Christ?

In the 8-week "The Way of the Master" Basic Training Course, Kirk Cameron and Ray Comfort will teach you a powerful, effective way to make the gospel make sense to those you care about.

You won't be at a loss for words. You don't need to be an expert in apologetics. Just learn to bypass the intellect and speak directly to the conscience—the way Jesus did.
